Mr William Ricks
Box 5 Route 59
Lexington N.C.

Dear Sir:

You have been recommended to me as a good pitcher, and I am writing to ask if you would like to join The Eagles in training camp, for a try out.

We arrive in camp April 3rd, and are training in Richmond Va. and will stay at Virginia Union University.

If you are interested in trying out with us, I would appreciate hearing from you, or you can go directly to camp.

The headquarters of the ball club in the city is The Elks Home 526 N. 2nd St, and the man to contact ther is Mr Joe Miles.

Very Truly Yours
